Good afternoon Ms. Cochran,
Thank you for the opportunity to share my concerns on this issue. I would like to accept this offer. My husband, Tyson Kubena, would like to speak on this. Can you please provide a meeting agenda, and instructions on how to attend the meeting virtually?

Thank you,

Jenna Kubena

Dear Comments Clerk Texas Railroad Commission,

In the wake of the collapse of oil prices, I support prioritizing production cuts for oil companies with the worst records of excessive flaring at drilling sites. This is a waste of resources and harmful to our climate.

I want to see a plan to downsize the production of oil and gas throughout the next decade and manage the just transition to a cleaner economy for Texas.
