violations of the Code of Ethics for Teachers. The Code of Ethics for Teachers is a set of principles that guide teachers in their professional conduct. It is designed to ensure that teachers act in the best interests of their students and the public. The Code of Ethics for Teachers is a set of principles that guide teachers in their professional conduct. It is designed to ensure that teachers act in the best interests of their students and the public.

When a violation of the Code of Ethics for Teachers is identified, the appropriate action is taken. This may include a range of consequences, from a verbal warning to suspension or removal from the profession. The goal is to ensure that teachers are held accountable for their actions and that the public has confidence in the teaching profession.
