The Commission finds that after statutory notice in the above-numbered docket heard on March 19, 2002, the presiding examiner has made and filed a report and recommendation containing findings of fact and conclusions of law, for which service was not required; that the proposed application is in compliance with all statutory requirements; and that this proceeding was duly submitted to the Railroad Commission of Texas at conference held in its offices in Austin, Texas.

The Commission, after review and due consideration of the examiner’s report and recommendation, the findings of fact and conclusions of law contained therein, hereby adopts as its own the findings of fact and conclusions of law contained therein, and incorporates said findings of fact and conclusions of law as if fully set out and separately stated herein.

Therefore, it is ORDERED by the Railroad Commission of Texas that the following rules shall be adopted for the Constitution (Westbury) Field, Jefferson County, Texas.

RULE 1: The entire correlative interval from 13,800 feet to 14,350 feet as shown on the electric log of the Texaco (now Tri-Union) Westbury Farms Lease Well No. 1, David Choate Survey, Jefferson County, Texas, shall be designated as a single reservoir for proration purposes and be designated as the Constitution (Westbury) Field.

RULE 2: The daily allowable production of gas from individual wells completed in a non-associated gas reservoir of the subject field shall be determined by allocating the allowable production, after deductions have been made for wells which are incapable of producing their gas allowables, among the individual wells in the following manner:

TWENTY-FIVE percent (25%) of the total field allowable shall be allocated equally among all the individual proratable wells producing from this field.

SEVENTY-FIVE percent (75%) of the total field allowable shall be allocated among the individual wells in the proportion that the deliverability of such well, as evidenced by the most recent G-10 test filed with the Railroad Commission bears to the summation of the deliverability of all proratable wells producing from this field.

It is further ORDERED that all overproduction for the wells in the Constitution (Westbury)
Field, Jefferson County, Texas, be and is hereby canceled, and that these wells be and are permanently classified as gas wells.

Done this ninth day of April, 2002.
