**FINAL ORDER  
APPROVING THE APPLICATION OF STAR PRODUCTION, INC.  
FOR RULE 10 EXCEPTION ON ALL LEASES IT OPERATES  
IN THE STAR LIGHT (HOPE), STAR LIGHT (BRECKENRIDGE)  
AND STAR LIGHT (PALO PINTO) FIELDS  
TOM GREEN COUNTY, TEXAS**

The Commission finds that after statutory notice in the above-numbered docket heard on March 2, 2009, the presiding examiner has made and filed a report and recommendation containing findings of fact and conclusions of law, for which service was not required; that the proposed application is in compliance with all statutory requirements; and that this proceeding was duly submitted to the Railroad Commission of Texas at conference held in its offices in Austin, Texas.

The Commission, after review and due consideration of the examiner's report and recommendation, the findings of fact and conclusions of law contained therein, hereby adopts as its own the findings of fact and conclusions of law contained therein, and incorporates said findings of fact and conclusions of law as if fully set out and separately stated herein.

THEREFORE it is **ORDERED** by the Railroad Commission of Texas that the application of Star Production, Inc., for exceptions to Statewide Rule 10 for all existing and future wells operated by Star Production, Inc., and successors, in the Star Light (Hope), Star Light (Breckenridge) and Star Light (Palo Pinto) Fields, Tom Greene County, Texas are hereby approved. Commingled production shall be assigned as requested by the operator for proration purposes. Wells on any lease which has existing commingling authority for the subject fields will remain assigned to the field in which they are currently assigned.

Further, acreage assigned to wells on these leases/units for allocation of allowable shall not be assigned to any other well or wells projected to or completed in the Star Light (Hope), Star Light (Breckenridge) and Star Light (Palo Pinto) Fields; such duplicate assignment of acreage is not acceptable, provided however, that this limitation shall not prevent the reformation of development or proration units so long as no duplicate assignment of acreage occurs, and further, that such reformation does not violate other conservation regulations.

For any well downhole commingled in the Star Light (Hope), Star Light (Breckenridge) and Star Light (Palo Pinto) Fields, Star Production, Inc., and successors, shall file the appropriate completion forms and/or other forms as required by the Commission and shall file at the same time the appropriate Commission required administrative Rule 10 exception downhole commingling fee.

Done this 31<sup>th</sup> day of March, 2009.
