ORDER NUNC PRO TUNC

In conference at its office in Austin, Texas the Railroad Commission of Texas took up for consideration the matter of correcting its combined Final Order entered on March 31, 1998 in Oil & Gas Docket No. 10-0218630 and Rule 37 Case No. 0218199. The Commission finds that, due to clerical error, some of the identifying docket numbers at the top of the pages of the order were incorrect.

Accordingly, it is ORDERED that the combined Final Order in Oil & Gas Docket No. 10-0218630 and Rule 37 Case No. 0218199 be, and the same is hereby, amended *nunc pro tunc* so that each identifying reference in that order to the docket numbers shall now state "Oil & Gas Docket No. 10-0218630 and Rule 37 Case No. 0218199."

Done this 2nd day of June, 1998.
