FRIO COUNTY, TEXAS**

The Commission finds that after statutory notice in the above-numbered docket heard on November 17, 2009, the presiding examiners have made and filed a report and proposal for decision containing findings of fact and conclusions of law, which was served on all parties of record; that the proposed application is in compliance with all statutory requirements; and that this proceeding was duly submitted to the Railroad Commission of Texas at conference held in its offices in Austin, Texas.

The Commission, after review and due consideration of the examiners' report and proposal for decision, the findings of fact and conclusions of law contained therein, and any exceptions and replies thereto, hereby adopts as its own the findings of fact and conclusions of law, and incorporates said findings of fact and conclusions of law as if fully set out and separately stated herein.

Each well which is not in compliance with Statewide Rule 11 must be immediately shut-in until the well is brought into compliance.

Each exception to the examiners' proposal for decision not expressly granted herein is overruled. All requested findings of fact and conclusions of law which are not expressly adopted herein are denied. All pending motions and requests for relief not previously granted or granted herein are denied.

Pursuant to TEX. GOV'T CODE §2001.146(e), the time
