---

**FINAL ORDER**

The Commission finds that after statutory notice the captioned enforcement proceeding was heard by the examiner on April 25, 2013, and that the respondent, Ross Gas and Oil, Ltd. Co. (729060) , or in the alternative ADT Investments, Inc. (008477) failed to appear or respond to the Notice of Opportunity for Hearing. Pursuant to § 1.49 of the Commission's General Rules of Practice and Procedure [Tex. R. R. Comm'n, 16 TEX. ADMIN. CODE § 1.49] and after being duly submitted to the Railroad Commission of Texas at conference held in its offices in Austin, Texas, the Commission makes the following findings of fact and conclusions of law.

**FINDINGS OF FACT**

1. Ross Gas and Oil, Ltd. Co. (729060), or on the alternative ADT Investments, Inc. (008477), ("Respondent"), was given Notice of Opportunity for Hearing by certified mail, addressed to the most recent Form P-5 (Organization Report) address, both which were returned to the Commission marked "unclaimed."
2. The certified envelopes containing the Original Complaint and the Notice of Opportunity for Hearing, both which were returned to the Commission marked "unclaimed" on April 11, 2013. The certified receipts are included in the file and has been on file with the Commission for 15 days, exclusive of the day of receipt and day of issuance.
3. On December 5, 2011, Ross Gas and Oil, Ltd. Co. (729060), Respondent, a Corporation, filed an Organization Report (Form P-5) with the Commission reporting that its officers consisted of the following individual(s): Roger D. Ross; President.
4. On December 12, 2006, ADT Investments, Inc. (008477), Respondent, a Corporation, filed an Organization Report (Form P-5) with the Commission reporting that its officers consisted of the following individual(s): Thomas Elige Irish; President.

5. Roger D. Ross, was a person in a position of ownership or control of respondent, as defined by Texas Natural Resources Code Section 91.114, during the time period of the violations of Commission rules committed by respondent.
6. Thomas Elige Irish, was a person in a position of ownership or control of respondent, as defined by Texas Natural Resources Code Section 91.114, during the time period of the violations of Commission rules committed by respondent.
7. The violations of Commission rules committed by respondent are related to safety and the control of pollution.
8. Respondent, ADT Investments, Inc. (008477) designated itself to the Commission as the operator of Well No. 1 (008477) on the Cousins Lease ("subject well"/"subject lease") by filing a P-4 Form (Producers Transportation Authority and Certificate of Compliance) effective on November 1, 2003, approved on December 16, 2003.
9. Respondent, Ross Gas and Oil, Ltd., Co. (729060), contends its signature on the P-4 naming Ross Gas and Oil, Ltd., Co., as the operator of the subject lease was obtained by the fraud of Respondent, ADT Investments, Inc. (008477), and therefore ADT Investments, Inc., should remain the operator of the subject lease.
10. Respondent, Ross Gas and Oil, Ltd., Co.'s P-5 (Organization Report) became delinquent on December 1, 2012. Respondent had a \$25,000 Bond as its financial assurance at the time of its last P-5 renewal.

13. The subject well has not been properly plugged in accordance with, and is not otherwise in compliance with Statewide Rule 14.
14. Usable quality groundwater in the area is likely to be contaminated by migrations or discharges of saltwater and other oil and gas wastes from the subject well. Unplugged wellbores constitute a cognizable threat to the public health and safety because of the probability of pollution.
15. The Statewide 14b2 plugging extension for Well No. 1 (172575) on the Cousins Lease was denied on January 13, 2009 for failure to provide a Good Faith Claim to operate and for an inactive P-5 status.
16. The total estimated cost to the State of plugging the subject well is \$28,350.00.

## **OIL AND GAS DOCKET NO. 01-0261780**
