FINAL ORDER

The Commission finds that after statutory notice the captioned enforcement proceeding was heard by the examiner on June 17, 2004, and that the respondent, Eagle Lake Energy Services, Inc. CODE § 1.49] and after being duly submitted to the Railroad Commission of Texas at conference held in its offices in Austin, Texas, the Commission makes the following findings of fact and conclusions of law.

FINDINGS OF FACT

1. Eagle Lake Energy Services, Inc. (238538), ("Respondent") was given Notice of Hearing by certified mail, addressed to the most recent P-5 address on the Form P-5 Organization Report, which was signed and returned to the Commission.

7. According to Commission records the Respondent's Form P-5 (Organization Report) became delinquent on November 1, 2003. Respondent paid a fee of \$3,125.00 at the time of its last P-5 renewal.
