---

**FINAL ORDER**

The Commission finds that after statutory notice the captioned enforcement proceeding was heard by the examiner on April 9, 2009, and that the respondent, Badger Energy, Inc. (042410), failed to appear or respond to the Notice of Opportunity for Hearing. Pursuant to § 1.49 of the Commission's General Rules of Practice and Procedure [Tex. R. R. Comm'n, 16 TEX. ADMIN. CODE § 1.49] and after being duly submitted to the Railroad Commission of Texas at conference held in its offices in Austin, Texas, the Commission makes the following findings of fact and conclusions of law.

**FINDINGS OF FACT**

1. Badger Energy, Inc. (042410), ("Respondent") was given Notice of Opportunity for Hearing by certified mail, addressed to the most recent P-5 address on the Form P-5 Organization Report. Respondent was given Notice of certified mail by the Post Office, but the certified mail was "unclaimed" by the Respondent.
2. The returned certified receipt containing the Original Complaint and the Notice of Opportunity for Hearing mailed to Respondents, most recent P-5 address, was not returned to the Commission. United States Postal Service records show that there was an attempt to deliver the notice to Respondent's P-5 address on February 25, 2009, but the certified mail was not thereafter claimed.
3. The returned certified receipt containing the Original Complaint and the Notice of Opportunity for Hearing sent to Respondent's President, Jeffrey R. Hill; was returned to the Commission marked "return to sender, unable to forward" on March 5, 2009. The certified receipt has been on file with the Commission for 15 days, exclusive of the day of receipt and day of issuance.
4. United States Postal Service records show that certified mail containing the Notice of Opportunity for Hearing addressed to Respondent's Vice President, Betty Jo Hill was delivered on February 27, 2009.

5. On December 29, 2006, Respondent, a Corporation, filed an Organization Report (Form P-5) with the Commission reporting that its officers consisted of the following individual(s): Jeffrey R. Hill, President; and Betty Jo Hill, Vice-President.
6. Jeffrey R. Hill, was a person in a position of ownership or control of respondent, as defined by Texas Natural Resources Code Section 91.114, during the time period of the violations of Commission rules committed by respondent.
7. Betty Jo Hill, was a person in a position of ownership or control of respondent, as defined by Texas Natural Resources Code Section 91.114, during the time period of the violations of Commission rules committed by respondent.
8. The violations of Commission rules committed by respondent are related to safety and the control of pollution.
9. Respondent designated itself to the Commission as the operator of Well No. 1 on the Mitchell-Mitchell (23793) Lease ("subject well"/"subject lease") by filing a Form P-4 (Producers Transportation Authority and Certificate of Compliance) with the Commission effective on March 1, 2000.
10. According to Commission records the Respondent's Form P-5 (Organization Report) became delinquent on December 1, 2007. Respondent had \$50,000.00 cash as its financial assurance at the time of its last P-5 renewal.
11. The subject well ceased production on or before March 1, 2000.
12. The Statewide Rule 14(b)(2) plugging extension for Well No. 1 on the Mitchell-Mitchell (23793) Lease expired on November 30, 2006, due to Respondent's delinquency of P-5.
13. Usable quality groundwater in the area is likely to be contaminated by migrations or discharges of saltwater and other oil and gas wastes from the subject well. Unplugged wellbores constitute a cognizable threat to the public health and safety because of the probability of pollution.
14. The total estimated cost to the State of plugging the subject well is \$89,628.00.
15. The Respondent has not demonstrated good faith since it failed to timely plug or otherwise place the subject lease and subject well in compliance after being notified of the violations by the District Office and failed to appear at the hearing to explain its inaction.
16. Respondent has a prior history of Commission rule violations including the following docket(s):

Docket No. 03-0245965; Agreed Order Served.
