ENFORCEMENT ACTION FOR ALLEGED VIOLATIONS COMMITTED BY TRES OPERATING CO., LLC (868280), STURGES (24990) LEASE, WELL NO. 1, BROOKSHIRE FIELD, WALLER COUNTY, TEXAS

FINAL ORDER

The Commission finds that after statutory notice the captioned enforcement proceeding was heard by the examiner on November 19, 2009 and that the respondent, Tres Operating Co., LLC (868280), failed to appear or respond to the Notice of Hearing. Pursuant to § 1.49 of the Commission's General Rules of Practice and Procedure [Tex. R. R. Comm'n, 16 TEX. ADMIN. CODE § 1.49] and after being duly submitted to the Railroad Commission of Texas at conference held in its offices in Austin, Texas, the Commission makes the following findings of fact and conclusions of law.

The certified receipt has been on file with the Commission for 15 days, exclusive of the day of receipt and day of issuance.
3. On September 12, 2007, Respondent filed an Organization Report (Form P-5) with the Commission reporting that its manager and owners consisted of the following individual(s): James R. Gibson, Manager; William Miracle; Co-Owner
4. James R. Gibson, was a person in a position of ownership or control of respondent, as defined by Texas Natural Resources Code Section 91.114, during the time period of the violations of Commission rules committed by respondent.

5. William Miracle, was a person in a position of ownership or control of respondent, as defined by Texas Natural Resources Code Section 91.114, during the time period of the violations of Commission rules committed by respondent.
6. The violations of Commission rules committed by respondent are related to safety and the control of pollution.
7. Respondent designated itself to the Commission as the operator of Well No. 1 on the Sturges (24990) Lease ("subject well"/"subject lease") by filing a Form P-4 (Producers Transportation Authority and Certificate of Compliance) with the Commission effective on May 1, 2005.
8. According to Commission records the Respondent's Form P-5 (Organization Report) became delinquent on August 1, 2008. Respondent had a \$25,000.00 cash deposit as its financial assurance at the time of its last P-5 renewal.
9. The subject well ceased production on or before May 1, 2005.

15. Failure to properly identify a well by the posting of the sign required by Statewide Rule 3 has the potential for causing confusion and delay in remedying a violation or emergency and poses a threat to the public health and safety.
16. The Respondent has not demonstrated good faith since it failed to plug or otherwise place the subject lease and well in compliance after being notified of the violations by the District Office and failed to appear at the hearing to explain its inaction.
17. The Respondent has a prior history of Commission rule violations including the following docket(s):
