**ENFORCEMENT ACTION FOR ALLEGED VIOLATIONS COMMITTED BY TRISTAR EXPLORATION, INC. (871101), AS TO THE GUZMAN-RAMIREZ UNIT LEASE, WELL NO. 8 (041694) AND THE GUZMAN LEASE, WELL NO. 12 (122955), RACHAL (3700) FIELD, BROOKS COUNTY, TEXAS**

---

**FINAL ORDER**

The Commission finds that after statutory notice the captioned enforcement proceeding was heard by the examiner on January 31, 2008, and that the respondent, Tristar Exploration, Inc. (871101), failed to appear or respond to the Notice of Opportunity for Hearing. Pursuant to § 1.49 of the Commission's General Rules of Practice and Procedure [Tex. R. R. Comm'n, 16 TEX. ADMIN. CODE § 1.49] and after being duly submitted to the Railroad Commission of Texas at conference held in its offices in Austin, Texas, the Commission makes the following findings of fact and conclusions of law.

**FINDINGS OF FACT**

1. Tristar Exploration, Inc. (871101), ("Respondent") was given Notice of Opportunity for Hearing by certified mail, addressed to the most recent P-5 address on the Form P-5 Organization Report, which was signed and returned to the Commission.
2. The returned certified receipt (green card) that was attached to the Original Complaint and the Notice of Opportunity for Hearing mailed to Respondent's most recent P-5 address was signed and returned to the Commission on December 21, 2007. The certified receipt has been on file with the Commission for 15 days, exclusive of the day of receipt and day of issuance.
3. On August 13, 2007, Respondent, a Corporation, filed an Organization Report (Form P-5) with the Commission reporting that its officers consisted of the following individual(s): Andrew A. Alff, President; and William Buck, Vice-President.
4. Andrew A. Alff, was a person in a position of ownership or control of respondent, as defined by Texas Natural Resources Code Section 91.114, during the time period of the violations of Commission rules committed by respondent.
5. William Buck, was a person in a position of ownership or control of respondent, as defined by Texas Natural Resources Code Section 91.114, during the time period of the violations of Commission rules committed by respondent.
6. The violations of Commission rules committed by respondent are related to safety and the

control of pollution.

7. Respondent designated itself to the Commission as the operator of Well No. 8 (041694) on the Guzman-Ramirez Unit Lease and Well No. 12 (122955) on the Guzman Lease ("subject wells"/"subject leases") by filing Forms P-4 (Producer's Transportation Authority and Certificate of Compliance) with the Commission effective on October 1, 2000 for both of the subject wells and subject leases.
8. According to Commission records the Respondent's Form P-5 (Organization Report) is active. Respondent has a \$50,000.00 bond as its financial assurance.
9. Well No. 8 (041694) on the Guzman-Ramirez Unit Lease ceased production on or before May 1995.
10. Well No. 12 (122955) on the Guzman Lease ceased production on or before May 1995.
11. The Statewide Rule 14(b)(2) plugging extensions for Well No. 8 (041694) on the Guzman-Ramirez Unit Lease and Well No. 12 (122955) on the Guzman Lease were denied on August 6, 2003, for failure to file H-15 tests.
12. Usable quality groundwater in the area is likely to be contaminated by migrations or discharges of saltwater and other oil and gas wastes from the subject wells. Unplugged wellbores constitute a cognizable threat to the public health and safety because of the probability of pollution.
13. The total estimated cost to the State of plugging Well No. 8 (041694) on the Guzman-Ramirez Unit Lease is \$24,800.00 and for Well No. 12 (122955) on the Guzman Lease is \$24,800.00.
14. The Respondent has not demonstrated good faith since it failed to timely plug or otherwise place the subject leases and subject wells in compliance after being notified of the violations by the District Office and failed to appear at the hearing to explain its inaction.
15. The Respondent has a prior history of Commission rule violations including the following docket(s):

Docket No. 03-0233440; Final Order Served: September 7, 2005;  
Docket No. 7B-0235591; Agreed Order Served: June 22, 2004;
