---

**FINAL ORDER**

The Commission finds that after statutory notice the captioned enforcement proceeding was heard by the examiner on September 14, 2006, and that the respondent, Pamco Operating Company (637443), failed to appear or respond to the notice. Pursuant to § 1.49 of the Commission's General Rules of Practice and Procedure [Tex. R. R. Comm'n, 16 TEX. ADMIN. CODE § 1.49] and after being duly submitted to the Railroad Commission of Texas at conference held in its offices in Austin, Texas, the Commission makes the following findings of fact and conclusions of law.

**FINDINGS OF FACT**

1. Pamco Operating Company (637443), ("Respondent") was given Notice of Hearing by certified mail, addressed to the most recent P-5 address on the Form P-5 Organization Report, was returned to the Commission marked "return to sender, unable to forward."
2. The returned certified receipt containing the Original Complaint and the Notice of Hearing mailed to Respondent's most recent P-5 address was returned to the Commission marked "return to sender, unable to forward" on August 8, 2006. The certified receipt has been on file with the Commission for 15 days, exclusive of the day of receipt and day of issuance.
3. On August 22, 2003, Respondent, a Corporation, filed an Organization Report (Form P-5) with the Commission reporting that its officers consisted of the following individual(s): Thomas Edward Potter, Jr. President; Thomas Edward Potter, Vice-President; and Tracy Croteau, Secretary.

10. The subject well ceased production on or before November 30, 2001.
11. The subject well has not been properly plugged in accordance with, and is not otherwise in compliance with, Statewide Rule 14.

13. The estimated cost to the State of plugging the subject well is \$2,900.00.
14. Commission district office inspections were conducted on September 30, 2005, October 21, 2005 and February 6, 2006 for the Dana B. Love (00714) Lease. The sign or identification required to be posted at Well No. 1 was missing.
