OFFICE OF GENERAL COUNSEL  
HEARINGS SECTION**

**OIL AND GAS DOCKET NO. 7B-0261743**

---

**ENFORCEMENT ACTION FOR ALLEGED VIOLATIONS COMMITTED BY LUCKY OIL & GAS (512180), AS TO THE GILLOCK HEIRS LEASE, WELL NO. 1 (115484), GILLOCK HEIRS FIELD, COMANCHE COUNTY, TEXAS**

---

**FINAL ORDER**

The Commission finds that after statutory notice the captioned enforcement proceeding was heard by the examiner on January 28, 2010 and that the respondent, Lucky Oil & Gas (512180), failed to appear or respond to the Notice of Opportunity for Hearing. Pursuant to § 1.49 of the Commission's General Rules of Practice and Procedure [Tex. R. R. Comm'n, 16 TEX. ADMIN. CODE § 1.49] and after being duly submitted to the Railroad Commission of Texas at conference held in its offices in Austin, Texas, the Commission makes the following findings of fact and conclusions of law.

**FINDINGS OF FACT**

1. Lucky Oil & Gas (512180), ("Respondent") was given Notice of Opportunity for Hearing by certified mail, addressed to the most recent P-5 address on the Form P-5 Organization Report, which was signed and returned to the Commission.
2. The returned certified receipt (green card) that was attached to the Original Complaint and the Notice of Opportunity for Hearing mailed to Respondent's most recent P-5 address, was signed and returned to the Commission on August 25, 2009. The certified receipt has been on file with the Commission for 15 days, exclusive of the day of receipt and day of issuance.
3. On July 21, 2008, Respondent filed an Organization Report (Form P-5) with the Commission reporting that its partners consisted of the following individual(s): Eric Linder; Partner, and Melton Linder; Partner.
4. Eric Linder, was a partner in a position of ownership or control of respondent, as defined by Texas Natural Resources Code Section 91.114, during the time period of the violations of Commission rules committed by respondent.

5. Melton Linder, was a partner in a position of ownership or control of respondent, as defined by Texas Natural Resources Code Section 91.114, during the time period of the violations of Commission rules committed by respondent.
6. The violations of Commission rules committed by respondent are related to safety and the control of pollution.
7. Respondent designated itself to the Commission as the operator of Well No. 1 (115484) on the Gillock Heirs Lease ("subject well"/"subject lease") by filing a Form P-4 (Producers Transportation Authority and Certificate of Compliance) with the Commission effective on January 1, 1986.
8. Commission records indicate that Respondent's Form P-5 (Organization Report) is active. Respondent has a \$50,000.00 Letter of Credit as its financial assurance.
9. The subject well ceased production on or before January 31, 1993.
10. The Statewide Rule 14(b)(2) extension for Well No. 1 (115484) on the Gillock Heirs Lease was denied on January 1, 2009 for other well violations.
11. The subject well has not been properly plugged in accordance with, and is not otherwise in compliance with, Statewide Rule 14.
12. Usable quality groundwater in the area is likely to be contaminated by migrations or discharges of saltwater and other oil and gas wastes from the subject well. Unplugged wellbores constitute a cognizable threat to the public health and safety because of the probability of pollution.
13. The estimated cost to the State of plugging the subject well is \$9,800.00.
14. Commission District inspections were conducted on November 12, 2008, December 29, 2008, January 26, 2009 and February 24, 2009 for the Gillock Heirs Lease. Well No. 1 (115484) has the wellhead open to the atmosphere evidenced by gas leaks through the stuffing box.
15. Maintenance of surface control by wellhead assemblies is necessary to prevent the discharge of oil and gas wastes on the subject lease constituting a hazard to public health and safety because the discharges of oil and gas wastes onto land surface can migrate into surface or subsurface waters.
16. The Respondent has not demonstrated good faith since it failed to plug or otherwise place the subject lease and well in compliance after being notified of the violations by the District Office and failed to appear at the hearing to explain its inaction.
