OIL AND GAS DOCKET NO. 7B-0266177

ENFORCEMENT ACTION FOR ALLEGED VIOLATIONS COMMITTED BY INFINITY OIL & GAS OF TX, INC. (424211), AS TO THE DUDLEY LEASE, WELL NO. 1H (604211), WILDCAT FIELD, COMANCHE COUNTY, TEXAS

FINAL ORDER

The Commission finds that after statutory notice the captioned enforcement proceeding was heard by the examiner on March 3, 2011 and that the respondent, Infinity Oil & Gas of Tx, Inc. , failed to appear or respond to the Notice of Opportunity for Hearing. Pursuant to § 1.49 of the Commission's General Rules of Practice and Procedure [Tex. R. R. Comm'n, 16 TEX. ADMIN. CODE § 1.49] and after being duly submitted to the Railroad Commission of Texas at conference held in its offices in Austin, Texas, the Commission makes the following findings of fact and conclusions of law.

FINDINGS OF FACT

1. Infinity Oil & Gas of Tx, Inc. (424211), ("Respondent") was given Notice of Opportunity for Hearing by certified mail, addressed to the most recent P-5 address on the Form P-5 Organization Report.
2. The returned certified receipt containing the Original Complaint and the Notice of Opportunity for Hearing was mailed to Respondent's most recent P-5 address, was returned to the Commission marked "unclaimed" on February 17, 2011. The returned certified receipt attached to the Original Complaint and the Notice of Opportunity for Hearing mailed to the Respondent's President, Stanton E. Ross, was received and signed on January 31, 2011. The confirmation and electronic receipts have been on file with the Commission for 15 days, exclusive of the day of receipt and day of issuance.
3. On September 10, 2010, Respondent, a Corporation, filed an Organization Report (Form P-5) with the Commission reporting that its officers consisted of the following individual(s): Stanton E. Ross; President.
4. Stanton E. Ross, was in a position of ownership or control of respondent, as defined by Texas Natural Resources Code Section 91.114, during the time period of the violations of Commission rules committed by respondent.
5. The violations of Commission rules committed by respondent are related to safety and the control of pollution.

6. Respondent designated itself to the Commission as the operator of Well No. 1H (604211) on the Dudley Lease ("subject well"/"subject lease") by filing a W-1 Form (Application to Drill, Deepen, Plug Back or Re-Enter) with the Commission issued on August 8, 2005.
7. Commission records indicate that Respondent's Form P-5 (Organization Report) is active. Respondent has a \$50,000.00 Bond as its financial assurance.
8. The subject well has never produced.
9. The subject well has not been properly plugged in accordance with, and is not otherwise in compliance with, Statewide Rule 14.
10. Usable quality groundwater in the area is likely to be contaminated by migrations or discharges of saltwater and other oil and gas wastes from the subject well. Unplugged wellbores constitute a cognizable threat to the public health and safety because of the probability of pollution.
11. The estimated cost to the State of plugging the subject well is \$12,900.00.
12. Commission District inspections were conducted on December 7, 2009, January 22, 2010, March 3, 2010 and December 28, 2010 for the Dudley Lease. The signs or identification required to be posted at the well was missing.
13. Failure to properly identify a well by the posting of the sign required by Statewide Rule 3 has the potential for causing confusion and delay in remedying a violation or emergency and poses a threat to the public health and safety.
14. Commission District inspections were conducted on December 7, 2009 to December 28, 2010 for the Dudley Lease show that drilling operations on Well No. 1H (604211) have been completed and that the well is equipped with a bradenhead. Despite the fact that drilling operations were completed more that 90 days ago, Respondent failed to file the required completion report.
15. The Respondent has not demonstrated good faith since it failed to plug or otherwise place the subject lease and well in compliance after being notified of the violations by the District Office and failed to appear at the hearing to explain its inaction.
