ENFORCEMENT ACTION FOR ALLEGED VIOLATIONS COMMITTED BY DOUGLAS STEWART KING, SOLE PROPRIETOR, JANLO OPERATING (429835), AS TO THE TODD RANCH "A" LEASE, WELL NO. 1 (041170), TODD "A" LEASE, WELL NO. 2 (066443), HOWARD DRAW (GRAYBURG SAN ANDRES) FIELD, CROCKETT COUNTY, TEXAS

FINAL ORDER

The Commission finds that after statutory notice the captioned enforcement proceeding was heard by the examiner on April 10, 2008, and that the respondent, Douglas Stewart King, Sole Proprietor, Janlo Operating (429835), failed to appear to the Notice of Opportunity for Hearing. Pursuant to § 1.49 of the Commission's General Rules of Practice and Procedure [Tex. R. R. Comm'n, 16 TEX. ADMIN. CODE § 1.49] and after being duly submitted to the Railroad Commission of Texas at conference held in its offices in Austin, Texas, the Commission makes the following findings of fact and conclusions of law.

FINDINGS OF FACT

1. Douglas Stewart King, Sole Proprietor, Janlo Operating (429835), ("Respondent") was given Notice of Opportunity for Hearing by certified mail, addressed to the most recent P-5 address on the Form P-5 Organization Report, which was returned to the Commission marked "unclaimed."
2. The returned certified receipt containing the Original Complaint and the Notice of Opportunity for Hearing mailed to Respondent's most recent P-5 address was returned to the Commission marked "unclaimed" on March 12, 2008. The certified receipt has been on file with the Commission for 15 days, exclusive of the day of receipt and day of issuance.
3. On September 1, 2005, Respondent, filed an Organization Report (Form P-5) with the Commission reporting that its officers consisted of the following individual(s): Douglas Stewart King, Owner.

4. Douglas Stewart King, as sole proprietor, was a person in a position of ownership or control of respondent, as defined by Texas Natural Resources Code Section 91.114, during the time period of the violations of Commission rules committed by respondent.
5. The violations of Commission rules committed by respondent are related to safety and the control of pollution.
6. Respondent designated itself to the Commission as the operator of Well No. 1 (041170) on the Todd Ranch "A" Lease and Well No. 2 (066443) on the Todd "A" Lease ("subject wells"/"subject leases") by filing Forms P-4 (Producer's Transportation of Authority and Certificate of Compliance) with the Commission effective on September 1, 1997 for both of the subject wells and subject leases.
7. According to Commission records the Respondent's Form P-5 (Organization Report) became delinquent on September 1, 2006. Respondent had \$7,150 cash deposit as its financial assurance at the time of its last P-5 renewal.
8. Production from Well No. 1 (041170) on the Todd Ranch "A" Lease ceased in November 2000.
9. Production from Well No. 2 (066443) on the Todd "A" Lease ceased on or before February 2001.
10. The Statewide Rule 14(b)(2) extensions for Well No. 1 (041170) on the Todd Ranch "A" Lease and Well No. 2 (066443) on the Todd "A" Lease were denied on January 22, 2004, for failure to file H-15's.
11. Usable quality groundwater in the area is likely to be contaminated by migrations or discharges of saltwater and other oil and gas wastes from the subject wells. Unplugged wellbores constitute a cognizable threat to the public health and safety because of the potential of pollution.
12. The total estimated cost to the State of plugging Well No. 1 (041170) on the Todd Ranch "A" Lease is \$8,500.00 and for Well No. 2 (066443) on the Todd "A" Lease is \$7,000.00.
13. Commission records indicate no Form H-15 (Test On An Inactive Well More Than 25 Years Old) has been filed and approved for the Todd Ranch "A" Lease, Well No. 1 (041170). Commission records further show that Well No. 1 (041170) on the Todd Ranch "A" Lease was completed on January 6, 1967, that an H-15 test was due in May 2004, and that the well has not been plugged.
14. Commission records indicate that no Form H-15 (Test On An Inactive Well More Than 25 Years Old) has been filed and approved for the Todd "A" Lease, Well No. 2 (066443). Commission records further show that Well No. 2 (066443) on the Todd "A" Lease was completed on April 12, 1972, that an H-15 test was due in May 2004, and that the well has not been plugged.

15. The Respondent has not demonstrated good faith since it failed to timely plug or otherwise place the subject leases and subject wells in compliance after being notified of the violations by the District Office and failed to appear at the hearing to explain its inaction.
16. Respondent has a history of Commission rule violations including the following docket(s):
