FINAL ORDER

The Commission finds that after statutory notice the captioned enforcement proceeding was heard by the examiner on October 13, 2011 and that the respondent, Rockwood Resources, Inc. (723524), failed to appear or respond to the Notice of Opportunity for Hearing. Pursuant to § 1.49 of the Commission's General Rules of Practice and Procedure [Tex. R. R. Comm'n, 16 TEX. ADMIN. CODE § 1.49] and after being duly submitted to the Railroad Commission of Texas at conference held in its offices in Austin, Texas, the Commission makes the following findings of fact and conclusions of law.

FINDINGS OF FACT

1. Rockwood Resources, Inc. (723524), ("Respondent") was given a Notice of Opportunity for Hearing by certified mail, addressed to the most recent P-5 address on the Form P-5 Organization Report.
2. The returned certified receipt attached to the Original Complaint and the Notice of Opportunity for Hearing was mailed to Respondent's most recent P-5 address, was returned marked "unable to forward" on September 13, 2011. The certified electronic verification has been on file with the Commission for 15 days, exclusive of the day of receipt and day of issuance.
3. On August 6, 2009, Respondent, a Corporation, filed an Organization Report (Form P-5) with the Commission reporting that its officers consisted of the following individual(s): William Coleman; President.

12. The estimated cost to the State of plugging the subject well is \$22,600.00.
