OIL AND GAS DOCKET NO. 8A-0233971

ENFORCEMENT ACTION FOR ALLEGED VIOLATIONS COMMITTED BY AMMONITE ENERGY TEXAS, INC. (020408), AS TO THE A. HESS JONES (67324) LEASE, WELL NO. 1, AND THE MOBIL/ARCO JONES RANCH (67408) LEASE, WELL NO. 2, JONES FIELD, GAINES COUNTY, TEXAS

FINAL ORDER

The Commission finds that after statutory notice the captioned enforcement proceeding was heard by the examiner on May 22, 2003, and that the respondent, Ammonite Energy Texas, Inc. (020408), failed to appear or respond to the notice. Pursuant to § 1.49 of the Commission's General Rules of Practice and Procedure [Tex. R. R. Comm'n, 16 TEX. ADMIN. CODE § 1.49] and after being duly submitted to the Railroad Commission of Texas at conference held in its offices in Austin, Texas, the Commission makes the following findings of fact and conclusions of law.

FINDINGS OF FACT

1. Ammonite Energy Texas, Inc. (020408), ("Respondent") was given Notice of Hearing by certified mail, addressed to the most recent P-5 address on the Form P-5 Organization Report, which was returned to the Commission marked "refused."
2. The returned certified receipt containing the Original Complaint and the Notice of Hearing was returned to the Commission marked "refused" on April 29, 2003. The receipt has been on file with the Commission for 15 days, exclusive of the day of receipt and day of issuance.
3. On November 21, 2001, Respondent, a Corporation, filed with the Commission an Organization Report (Form P-5) reporting that its officers consisted of the following individual(s): Joseph S. Foster; President.
4. Respondent designated itself to the Commission as the operator of Well No. 1 on the A. Hess Jones (67324) Lease and Well No. 2 on the Mobil/Arco Jones Ranch (67408) Lease ("subject wells"/"subject leases") by filing a Form P-4 (Producer's Transportation Authority and Certificate of Compliance) with the Commission effective on December 1, 1995 for both of the subject wells and subject leases.
5. According to Commission records the Respondent's Form P-5 (Organization Report) became delinquent on December 1, 2002. Respondent paid a fee of \$100.00 as its financial assurance at the time of its last Form P-5 renewal.

6. The subject wells ceased production on or before November 30, 2000 for Well No. 1 on the A. Hess Jones (67324) Lease and August 31, 2001 for Well No. 2 on the Mobil/Arco Jones Ranch (67408) Lease.
7. The subject wells have not been properly plugged in accordance with, and are not otherwise in compliance with, Statewide Rule 14.
8. Usable quality groundwater in the area is likely to be contaminated by migrations or discharges of saltwater and other oil and gas wastes from the subject wells. Unplugged wellbores constitute a cognizable threat to the public health and safety because of the probability of pollution.
9. The estimated cost to the State of plugging the subject wells is \$16,992.00 for Well No. 1 on the A. Hess Jones (67324) Lease and \$16,764.00 for Well No. 2 on the Mobil/Arco Jones Ranch (67408) Lease.
10. The Respondent has not demonstrated good faith since it failed to plug or otherwise place the subject leases and the subject wells in compliance after being notified of the violations by the District Office and failed to appear at the hearing to explain its inaction.

CONCLUSIONS OF LAW

1. Proper notice was issued by the Railroad Commission to respondent and to all other appropriate persons legally entitled to notice.
2. All things necessary to the Commission attaining jurisdiction over the subject matter and the parties in this hearing have been performed or have occurred.
3. Respondent is in violation of Commission Statewide Rule 14(b)(2).
4. Respondent is responsible for maintaining the subject leases in compliance with all applicable Commission rules and for properly plugging the subject wells according to Statewide Rules 14, 58, and 79 and Chapters 89 and 91 of the Texas Natural Resources Code.
5. The documented violations committed by the respondent constitute acts deemed serious, a hazard to the public health, and demonstrate a lack of good faith pursuant to TEX. NAT. RES. CODE ANN. §81.0531(c) (Vernon 2001).

IT IS ORDERED THAT within 30 days from the day immediately following the date this order becomes final:
