The Railroad Commission of Texas (“Commission”) finds that after statutory notice the captioned enforcement proceeding was heard by a Commission Administrative Law Judge on June 2, 2016 and that the respondent, **BAR 5-H, INC.**, failed to appear or respond to the Notice of Opportunity for Hearing. Pursuant to § 1.49 of the Commission's General Rules of Practice and Procedure, 16 TEX. ADMIN. CODE § 1.49, and after being duly submitted to the Commission at a conference held in its offices in Austin, Texas, the Commission makes the following findings of fact and conclusions of law.

FINDINGS OF FACT

1. **BAR 5-H, INC.** (“Respondent”), Operator No. 048562, was sent the Original Complaint and Notice of Opportunity for Hearing by certified and first class mail, addressed to the most recent Commission Form P-5 (Organization Report) (“Form P-5”) address. Respondent’s officers and agents as identified on the Form P-5, Joanna Harris, President, was sent the Original Complaint and Notice of Opportunity for Hearing by certified and first class mail, addressed to her last known address on March 16, 2016.
2. The certified mail envelope addressed to Joanna Harris, President, 3348 County Road 481 South, Centerville, TX 75833, containing the Original Complaint and the Notice of Opportunity for Hearing was returned by the Respondent on April 14, 2016. The first-class mail was not returned. Record of return of certified mail has been on file with the Commission for more than 15 days, exclusive of the day of receipt and day of issuance. Respondent was given more than 30 days’ notice of the Original Complaint and Notice of Opportunity for Hearing. Respondent has not entered into an agreed settlement order, filed an answer, or requested a hearing.
3. On April 14, 2010, Respondent filed a Form P-5 with the Commission reporting that its officers consist of the following individual(s): Joanna Harris, President and Vice-President.
4. **JOANNA HARRIS** was in a position of ownership or control of Respondent, as defined in section 91.114 of the Texas Natural Resources Code, during the time period of the violations of Commission rules committed by Respondent.

5. Respondent's Form P-5 is delinquent. Respondent had a \$25,000 letter of credit as its financial assurance at the time of the last Form P-5 annual renewal submission.
6. The violations of Commission rules committed by Respondent are related to safety and the control of pollution.
7. Respondent designated itself to the Commission as the operator of the Holleman, W. L. Unit 2 (03755) Lease, Well No. 1, Centerville (Woodbine) Field, Leon County, Texas, by filing a Commission Form P-4 (Certificate of Compliance and Transportation Authority), effective October 1, 2006, approved October 20, 2006.
8. Commission inspection reports made on November 3, 2015 and September 23, 2015, and reports filed by the Respondent with the Commission (reflecting zero production or the absence of production reports) since November 2010, show the Holleman, W. L. Unit 2 (03755), Well No. 1 has been inactive for a period greater than one year.
9. No work-overs, re-entries, or subsequent operations have taken place on the subject well within the last twelve months; the subject well has not been properly plugged in accordance with Statewide Rule 14, 16 TEX. ADMIN. CODE § 3.14; and no plugging extension is in effect for the subject well as allowed by Statewide Rule 14. The subject well is not otherwise in compliance with Statewide Rule 14.
10. Usable quality groundwater in the area is likely to be contaminated by migrations or discharges of saltwater and other oil and gas wastes from the subject well. Unplugged wellbores, in violation of Statewide Rule 14(b)(2), constitute a cognizable threat to the public health and safety because of the potential of pollution.
11. The total estimated cost to the State for plugging the Holleman, W. L. Unit 2 (03755), Well No. 1 is \$49,396.00.
12. Respondent has no prior history of violations of Commission rules.
