

RAILROAD COMMISSION OF TEXAS
HEARINGS DIVISION

OIL AND GAS DOCKET
NO. 08-0291540

IN THE PHANTOM (WOLFCAMP)
FIELD, REEVES AND LOVING
COUNTIES, TEXAS

ORDER NUNC PRO TUNC

APPROVING THE APPLICATION OF EOG RESOURCES, INC.,
FOR A TIGHT FORMATION AREA DESIGNATION
IN ACCORDANCE WITH STATEWIDE RULE 101
FOR THE WOLFCAMP AND THIRD BONE SPRING FORMATIONS
IN THE PHANTOM (WOLFCAMP) FIELD,
REEVES AND LOVING COUNTIES, TEXAS

In conference at its office in Austin, Texas, the Railroad Commission of Texas took up for consideration its Final Order entered on May 12, 2015, the matter approving a tight formation area designation in accordance with Statewide Rule 101 for the Wolfcamp and Third Bone Spring Formations in the Phantom (Wolfcamp) Field, Reeves and Loving Counties, Texas. The Commission finds that, due to a typographical error, the Final Order entered May 12, 2015, incorrectly stated the docket number as 01-0291540 when the correct docket number is 08-0291540.

Accordingly, it is **ORDERED** that the Final Order in Docket No. 08-0291540 be, and the same is hereby, amended *nunc pro tunc* so that the order contains the correct docket number (08-0291540) and the order now reads as follows:

Therefore, it is **ORDERED** by the Railroad Commission of Texas that the application of EOG Resources, Inc. for the Commission's certification that the Phantom (Wolfcamp) Field within the correlative geologic interval from 9,515 feet to 12,447 feet, as shown on the log of the Petrohawk Operating Company, Oxy Fee "24" Lease, Well No. 1 (API No. 42-389-32637), and within the surveys and abstracts in Reeves and Loving Counties listed on Attachment A, be designated a tight gas formation and therefore produces high cost gas pursuant to 16 TAC §3.101, be and is hereby approved.

It is further **ORDERED** by the Commission that this order shall not be final and effective until 25 days after the Commission's order is signed, unless the time for filing a motion for rehearing has been extended under Tex. Gov't Code §2001.142, by agreement under Tex. Gov't Code §2001.147, or by written Commission Order issued pursuant to Tex. Gov't Code §2001.146(e). If a timely motion for rehearing of an application is filed by any party at interest, this order shall not become final and effective until such motion is overruled, or if such motion is granted, this order shall be subject to further action by the Commission. Pursuant to Tex. Gov't Code §2001.146(e), the time allotted for Commission action on a motion for rehearing in this case prior to its being overruled by operation of law is hereby extended until 90 days from the date Commission Order is signed.

Done this 24th day of January, 2017.

RAILROAD COMMISSION OF TEXAS

(Order approved and signatures affixed by
Hearings Divisions' Unprotested Master Order
dated January 24, 2017)
