**ENFORCEMENT ACTION AGAINST CRARUTH ENERGY CORPORATION  
(OPERATOR NO. 186685) FOR VIOLATIONS OF STATEWIDE RULES ON THE  
JORDAN 'A' (DRILLING PERMIT NO. 768420) LEASE, WELL NO. 2A, PRICE-  
JORDAN (SADDLE CREEK) FIELD, NOLAN COUNTY, TEXAS**

---

**FINAL ORDER**

The Railroad Commission of Texas ("Commission") finds that after statutory notice the captioned enforcement proceeding was heard by a Commission Administrative Law Judge on March 23, 2017, and that the respondent, Craruth Energy Corporation, failed to appear or respond to the **Notice of Opportunity for Hearing**. Pursuant to § 1.49 of the Commission's General Rules of Practice and Procedure, 16 TEX. ADMIN. CODE § 1.49, and after being duly submitted to the Commission at a conference held in its offices in Austin, Texas, the Commission makes the following findings of fact and conclusions of law.

**FINDINGS OF FACT**

1. Craruth Energy Corporation ("Respondent"), Operator No. 186685, was sent the Original Complaint and Notice of Opportunity for Hearing by certified and first-class mail, addressed to the most recent Commission Form P-5 (Organization Report) ("Form P-5") address: Craruth Energy Corporation, 1333 Ben Richey Dr, Abilene TX 79602. Respondent's officers as identified on the Form P-5—Craig, James, President; Craig, Karen, Secretary; and Hunter, Trent, Technical Assistant—were sent the Original Complaint and Notice of Opportunity for Hearing by certified and first-class mail, addressed to their last known address: Craig, James, President, 1333 Ben Richey Dr, Abilene TX 79602; Craig, Karen, Secretary, 1333 Ben Richey Dr, Abilene TX 79602; and Hunter, Trent, Technical Assistant, 5141 Many Waters Dr, Abilene TX 79602.
2. The certified mail envelope containing the Original Complaint and Notice of Opportunity for Hearing addressed to the Respondent, Craig, James, and Craig, Karen was returned to the Commission unopened on March 6, 2017, March 2, 2017, and March 6, 2017, respectively. The Certified Mail envelope addressed to Hunter, Trent was received on February 13, 2017. The first-class mail envelope addressed to Hunter, Trent was returned to the Commission unopened on February 13, 2017. The first-class mail envelopes addressed to Respondent, Craig, James, and Craig, Karen were not returned. Record of the delivery and return of certified mail has been on file with the Commission for more than 15 days, exclusive of the day of receipt and day of issuance. Respondent was given more than 30 days' notice of the Original Complaint and Notice of Opportunity for

Hearing. Respondent has not entered into an agreed settlement order, filed an answer, or requested a hearing.

3. Respondent filed its first Form P-5 with the Commission in 2000. On December 29, 2015, Respondent, a Corporation, filed a Form P-5 with the Commission reporting that its officers consist of the following individuals: Craig, James.Craig, Karen; and Hunter, Trent.
4. Craig, James was in a position of ownership or control of Respondent, as defined in section 91.114 of the Texas Natural Resources Code, during the time period of the violations of Commission rules committed by Respondent.
5. Craig, Karen was in a position of ownership or control of Respondent, as defined in section 91.114 of the Texas Natural Resources Code, during the time period of the violations of Commission rules committed by Respondent.
6. Hunter, Trent was in a position of ownership or control of Respondent, as defined in section 91.114 of the Texas Natural Resources Code, during the time period of the violations of Commission rules committed by Respondent.
7. Respondent's Form P-5 is delinquent. Respondent had a \$50,000.00 letter of credit as its financial assurance at the time of the last Form P-5 annual renewal submission.
8. Commission inspection reports made on June 24, 2016, July 21, 2016, and October 3, 2016, for the Jordan 'A' (Drilling Permit No. 768420) Lease, show that the sign or identification required to be posted at the lease entrance was missing.
9. Commission inspection reports made on June 24, 2016, July 21, 2016, and October 3, 2016, for the Jordan 'A' (Drilling Permit No. 768420) Lease, show that the signs or identification required to be posted at Well No. 2A displayed incorrect information.
10. The lack of legible signs and identification displaying correct information, as set forth in Statewide Rules 3(1) and 3(2), may cause confusion as to the responsible operator to be contacted and the actual location of a violation or emergency, which can result in delays in remedying a violation or emergency.
11. Commission records show that Respondent notified the Commission of setting production casing on August 31, 2013. Commission inspection reports made on June 24, 2016, July 21, 2016, and October 3, 2016, and the absence of production reports filed by the Respondent with the Commission since August 31, 2013, show that the Jordan 'A' (Drilling Permit No. 768420) Lease, Well No. 2A has been inactive for a period greater than one year. The subject well has never produced.
12. No work-overs, re-entries, or subsequent operations have taken place on the subject well within the last twelve months; the subject well has not been properly plugged in accordance with Statewide Rule 14, 16 Tex. Admin. Code § 3.14; and

- no plugging extension is in effect for the subject well as allowed by Statewide Rule 14. The subject well is not otherwise in compliance with Statewide Rule 14.
13. Usable quality groundwater in the area can become contaminated by migrations or discharges of saltwater and other oil and gas wastes from the subject well. Unplugged wellbores, in violation of Statewide Rule 14(b)(2), constitute a cognizable threat to the public health and safety because of the potential of pollution.
  14. The total estimated cost to the State for plugging the Jordan 'A' (Drilling Permit No. 768420) Lease, Well No. 2A is \$20,800.00.
  15. Commission inspection reports made on June 24, 2016, July 21, 2016, and October 3, 2016, for the Jordan 'A' (Drilling Permit No. 768420) Lease, show that Well No. 2A was completed by Respondent has not filed the required completion report.
  16. Should a well need to be re-entered for any reason, the wellbore documentation provided in completion and plugging reports as set forth in Statewide Rule 16(b) is necessary to safely and efficiently carry out the replugging, recompletion, reworking, or other action.
  17. Respondent has prior orders, document under Docket No. 7B-0300144 for violations of Statewide Rules 3(1), 3(2), and 14(b)(2) and 7B-0300298 for violations of Statewide Rules 8(d)(4)(H)(i)(III), 46(g)2, and 8(d)(1).

#### CONCLUSIONS OF LAW

1. Proper notice was issued by the Commission to Respondent and all other appropriate persons legally entitled to notice.
2. All things necessary to the Commission attaining jurisdiction over the subject matter and the parties have been performed or have occurred.
3. Respondent is responsible for maintaining the subject lease in compliance with all applicable Commission rules and chapters 89 and 91 of the Texas Natural Resources Code.
4. Respondent is in violation of Statewide Rules 3(1), 3(2), 14(b)(2), and 16(b). 16 TEX. ADMIN. CODE § 3.3(1), 3.3(2), 3.14(b)(2), and 3.16(b).
5. Respondent is responsible for maintaining the subject leases in compliance with Statewide Rule 3(1) which requires that for each property that produces oil, gas or geothermal resources and each oil, gas or geothermal resource well and tank, or other approved crude oil measuring facility, a sign shall be posted at the principal entrance which shall show the name by which the property is carried on the records

of the Commission, the name of the operator, and the number of acres in the property.

6. The lack of legible signs and identification displaying correct information, as set forth in Statewide Rule 3(2), may cause confusion as to the responsible operator to be contacted and the actual location of the violation or emergency, which can result in delays in remedying a violation or emergency.
7. Respondent is responsible for maintaining the subject lease in compliance with Statewide Rule 14(b)(2), which requires that plugging operations on each dry or inactive well shall be commenced within a period of one year after drilling or operations cease and shall proceed with due diligence until completed, unless the operator is eligible for and obtains an extension of the plugging deadline.
8. Respondent is responsible for maintaining the subject lease in compliance with Statewide Rule 16(b), which requires proper completion and plugging reports to be filed timely.
9. The documented violations committed by Respondent constitute acts deemed serious, and a hazard to the public health, and demonstrate a lack of good faith pursuant to TEX. NAT. RES. CODE § 81.0531(c).
10. Pursuant to TEX. NAT. RES. CODE § 81.0531, the Commission may assess administrative penalties against Respondent for the subject violations of up to \$10,000 per day for each violation, with each day such violations continued constituting a separate violation.
11. An assessed administrative penalty in the amount of **TWELVE THOUSAND, TWO HUNDRED DOLLARS (\$12,200.00)** is justified considering the facts and violations at issue.
12. As persons in positions of ownership or control of Respondent at the time Respondent violated Commission rules related to safety and the control of pollution, Craig, James, Craig, Karen, and Hunter, Trent, and any other organization in which these individuals may hold a position of ownership or control, is subject to the restriction in section 91.114(a)(2) of the Texas Natural Resources Code.

**IT IS ORDERED THAT** within 30 days from the day immediately following the date this order becomes final:

1. Craruth Energy Corporation (Operator No. 186685) shall place the Jordan 'A' (Drilling Permit No. 768420) Lease in compliance with Statewide Rules 3(1), 3(2), 14(b)(2), and 16(b), and any other applicable Commission rules and statutes.

2. Craruth Energy Corporation (Operator No. 186685) shall pay to the Railroad Commission of Texas, for disposition as provided by law, an administrative penalty in the amount of **TWELVE THOUSAND, TWO HUNDRED DOLLARS (\$12,200.00)**.

It is further **ORDERED** that as persons in positions of ownership or control of Respondent at the time Respondent violated Commission rules related to safety and the control of pollution, Craig, James, Craig, Karen, and Hunter, Trent, and any other organization in which these individuals may hold a position of ownership or control, shall be subject to the restriction in section 91.114(a)(2) of the Texas Natural Resources Code for a period of no more than seven years from the date the order entered in this matter becomes final, or until the conditions that constituted the violations herein are corrected or are being corrected in accordance with a schedule to which the Commission and the organization have agreed, and all administrative, civil, and criminal penalties and all cleanup and plugging costs incurred by the State relating to those conditions are paid or are being paid in accordance with a schedule to which the Commission and the organization have agreed.

It is further **ORDERED** by the Commission that this order shall not be final and effective until 25 days after the Commission's Order is signed, unless the time for filing a motion for rehearing has been extended under Tex. Gov't Code §2001.142, by agreement under Tex. Gov't Code §2001.147, or by written Commission Order issued pursuant to Tex. Gov't Code §2001.146(e). If a timely motion for rehearing of an application is filed by any party at interest, this order shall not become final and effective until such motion is overruled, or if such motion is granted, this order shall be subject to further action by the Commission. Pursuant to Tex. Gov't Code §2001.146(e), the time allotted for Commission action on a motion for rehearing in this case prior to its being overruled by operation of law is hereby extended until 90 days from the date the Commission Order is signed.

All requested findings of fact and conclusions of law, which are not expressly adopted herein, are denied. All pending motions and requests for relief not previously granted or granted herein are denied.

Noncompliance with the provisions of this order is subject to enforcement by the Attorney General and subject to civil penalties of up to \$10,000.00 per day per violation.

Done this 25<sup>th</sup> day of April, 2017.
