**ORDER NUNC PRO TUNC**

In conference in its office in Austin, Texas, the Railroad Commission of Texas took up for consideration the matter of correcting the Final Order entered on September 12, 2002, in Oil and Gas Docket No. 06-0229019. The Final Order contains a clerical error in the identification of the dates the hearing was convened in this matter; the dates were erroneously identified in the Final Order as December 12, 13, and 14, 2002. The correct dates were December 12, 13, and 14, 2001.

Additionally, the Final Order adopted a Conclusion of Law which contained a clerical error in the identification of the date that the Long Trusts' received actual notice of the location of the Barksdale Estate Gas Unit No. 8 well. Conclusion of Law No. 4 identified March 1988 as the month in which long had actual notice of the location of the Barksdale Estate Gas Unit No. 8 well. The correct date is March 1998.

IT IS THEREFORE ORDERED THAT the Final Order in Oil and Gas Docket No. 06-0229019, dated September 12, 2002, is hereby amended nunc pro tunc to reflect the corrected dates as stated above.

Done this 13 day of November, 2002.
