FINAL ORDER

The Commission finds that after notice and opportunity for hearing, the prior operator of the captioned lease did not respond and the docket proceeded as a default. The proceeding having been duly submitted to the Railroad Commission of Texas at conference held in its offices in Austin, Texas, the Commission makes the following Findings of Facts and Conclusions of Law.

FINDINGS OF FACT

1. At least ten days notice was given to Primrose Resources, LLC, Operator No. 678365.
2. Primrose Resources is the operator of record for the R. J. S. Unit -A-, Well No. 1L (Gas ID No. 064913), Dyersdale, N. (CM-2) Field, Harris County, Texas.
3. Western Energy Co. ("Western Energy") holds Operator No. 911874 and holds title to the oil and gas lease covering the captioned tract and well.
4. On or about December 18, 2017, the Administrative Law Judge requested in writing that Primrose Resources either (1) provide evidence that it holds a good faith claim to a continuing right to operate the referenced property or (2) request a hearing on the matter on or before January 17, 2018. This writing expressly notified the operator that failure to timely request a hearing would constitute waiver of the opportunity to request a hearing on the matter.
5. A "good faith claim" is defined in Commission Statewide Rule (15)(a)(5) as "a factually supported claim based on a recognized legal theory to a continuing possessory right in the mineral estate, such as evidence of a currently valid oil and gas lease or a recorded deed conveying a fee interest in the mineral estate."

6. The R. J. S. Unit -A-, Well No. 1L (Gas ID No. 064913), Dyersdale, N. (CM-2) Field, Harris County, Texas., have been inactive and have no reported production for a period of over 30 months.
7. The mail to Primrose Resources at its P-5 address was returned and Primrose Resources failed to provide evidence that it holds a "good faith claim" to a continuing right to operate the referenced property and also failed to timely request a hearing.
8. Primrose Resources does not hold a "good faith claim" to operate the referenced property.
9. Pursuant to TEX. GOV'T CODE §§ 2001.056 and 2001.062(e), the parties waived the opportunity to request a hearing on the matter.
10. Western Energy now asserts a "good faith claim" to a continuous right to operate the referenced property.
11. The R. J. S. Unit -A-, Well No. 1L (Gas ID No. 064913), Dyersdale, N. (CM-2) Field, Harris County, Texas., should be transferred to Western Energy LLC as operator of record.
