Pursuant to § 1.25 of the Commission's General Rules of Practice and Procedure, 16 TEX. ADMIN. CODE § 1.25, and after being duly submitted to the Commission at a conference held in its offices in Austin, Texas, the Commission makes the following findings of fact and conclusions of law.

**FINDINGS OF FACT**

1. Mudslinger Oil, L.L.C. ("Respondent"), Operator No. 592478, was sent the Original Complaint and Notice of Opportunity for Hearing by certified and first-class mail, addressed to the most recent Commission Form P-5 (Organization Report) ("Form P-5") address. Respondent's officer as identified on the Form P-5—Duke Pendergraft—was sent the Original Complaint and Notice of Opportunity for Hearing by certified and first-class mail, addressed to the last known address.

6. Respondent designated itself to the Commission as the operator of the Jackson Lease, Well No. 2 (Drilling Permit No. 820890), by filing a Commission Form W-1 (Application for Permit to Drill, Recomplete or Re-enter), approved December 2, 2016.
7. A Commission inspection report made on August 8, 2017 for the Jackson Lease, Well No. 2 (Drilling Permit No. 820890) and a review of Commission records indicate that casing was set on February 1, 2017, but that a completion report was not submitted until October 4, 2017, after the thirty day deadline.
8. Should a well need to be re-entered for any reason, the timely wellbore documentation provided in completion and plugging reports as set forth in Statewide Rule 16(b) is necessary to safely and efficiently carry out the replugging, recompletion, reworking, or other action.
9. The Respondent has no prior history of violations of Commission Rules.

8. An assessed administrative penalty in the amount of **TWO THOUSAND FIVE HUNDRED DOLLARS (\$2,500.00)** is justified considering the facts and violations at issue.
