1.4. Long Term Contractual Shipper Rates

Each Long Term Contractual Shipper will pay Carrier the applicable rates below as applied to its Long Term Contractual Shipper Crude Oil:

**Barstow Texas Tariff No. 2.1.1
(Cancels Barstow Texas Tariff No. 2.1.0)**

Receipt Point(s)	Delivery Point(s)	Applicable Rate
<i>From any Long Term Contractual Shipper Receipt Point</i>	<i>To any Long Term Contractual Shipper Delivery Point</i>	Gathering fee of \$1.25* per Barrel received** at any applicable Receipt Point***

*Annual Adjustment: The gathering fee will be adjusted each July 1 beginning July 1, 2017 in accordance with the FERC indexing methodology as described in 18 C.F.R. § 342.3, except that the gathering fee for any Long Term Contractual Shipper will never be lower than the than \$1.25 per Barrel.

**Long Term Contractual Shipper Election to Not Deliver: If Long Term Contractual Shipper elects to not deliver part or all of the Long Term Contractual Shipper Crude Oil that is deliverable to any Long Term Contractual Shipper Receipt Point, Long Term Contractual Shipper is still obligated to pay Carrier the Long Term Contractual Shipper Gathering Fee for all Barrels of Long Term Contractual Crude Oil sold by Long Term Contractual Shipper that otherwise could have been delivered to any Long Term Contractual Shipper Receipt Point and received by Carrier.

***Long Term Contractual Shipper Downstream Transportation and Sale: Long Term Contractual Shipper is also responsible for arranging (i) all transportation downstream of the Long Term Contractual Shipper Delivery Points and (ii) the disposition and sale of the Long Term Contractual Shipper Crude Oil. If Long Term Contractual Shipper fails to do so, Carrier or its Affiliates may arrange for the disposition and sale of the applicable Long Term Contractual Shipper Crude Oil and remit the net proceeds to Long Term Contractual Shipper (after deducting a fee of \$0.20 per Barrel).
