**ENFORCEMENT ACTION AGAINST STEPHEN R. AGUIRRE DBA CASA OPERATIONS (OPERATOR NO. 138882) FOR VIOLATION OF A STATEWIDE RULE ON THE WHITTENBURG -B- (02351) LEASE, WELL No. 1, PANHANDLE HUTCHINSON COUNTY FIELD, HUTCHINSON COUNTY, TEXAS**

---

**FINAL ORDER**

The Railroad Commission of Texas ("Commission") finds that after statutory notice the captioned enforcement proceeding was heard by a Commission Administrative Law Judge on January 25, 2018, and that the respondent, Stephen R. Aguirre dba Casa Operations, failed to appear or respond to the **Notice of Opportunity for Hearing**. Pursuant to § 1.25 of the Commission's General Rules of Practice and Procedure, 16 TEX. ADMIN. CODE § 1.25, and after being duly submitted to the Commission at a conference held in its offices in Austin, Texas, the Commission makes the following findings of fact and conclusions of law.

**FINDINGS OF FACT**

1. Stephen R. Aguirre dba Casa Operations ("Respondent"), Operator No. 138882, was sent the Original Complaint and Notice of Opportunity for Hearing by certified and first-class mail, addressed to the most recent Commission Form P-5 (Organization Report) ("Form P-5") address. Respondent's owner—Stephen R. Aguirre—was sent the Original Complaint and Notice of Opportunity for Hearing by certified and first-class mail, addressed to the last known addresses.
2. The certified mail envelopes containing the Original Complaint and Notice of Opportunity for Hearing addressed to the Respondent and Owner were returned to the Commission on November 21, 2017. The first-class mail was not returned. Record of the delivery and return of certified mail has been on file with the Commission for more than 15 days, exclusive of the day of receipt and day of issuance. Respondent was given more than 30 days' notice of the Original Complaint and Notice of Opportunity for Hearing. Respondent has not entered into an agreed settlement order, filed an answer or requested a hearing.
3. On November 15, 2012, Respondent, a sole proprietorship, filed a Form P-5 with the Commission.
4. Stephen R. Aguirre was in a position of ownership or control of Respondent, as defined in TEX. NAT. RES. CODE § 91.114, during the time period of the violations of Commission rules committed by Respondent.
5. Respondent's Form P-5 is delinquent. Respondent had a \$25,000.00 bond as its financial assurance at the time of the last Form P-5 annual renewal submission.
6. Respondent is currently subject to the restrictions of TEX. NAT. RES. CODE § 91.114 due to the existence of an unsatisfied Commission order in Oil & Gas Docket No. 20-0281602 related to noncompliance with Statewide Rule 15 by Respondent.
7. Respondent designated itself to the Commission as the operator of the Whittenburg -B- (02351) Lease, Well No. 1, by filing a Commission Form P-4 (Certificate of Compliance and Transportation Authority), effective October 1, 2005, approved December 6, 2005.

8. Commission inspection reports made on September 14, 2017, and the absence of reported production since September 2010, showed that the Whittenburg -B- (02351) Lease, Well No. 1 has been inactive for a period greater than one year. Production from the subject lease ceased on or before August 2010.
9. No workovers, re-entries, or subsequent operations have taken place on the subject well within the last twelve months; the subject well has not been properly plugged in accordance with Statewide Rule 14, 16 TEX. ADMIN CODE § 3.14; and no plugging extensions are in effect for the subject well as allowed by Statewide Rule 14.
10. Usable quality groundwater in the area can become contaminated by migrations or discharges of saltwater and other oil and gas waste from the subject well. Unplugged wellbores, in violation of Statewide Rule 14(b)(2), constitute a cognizable threat to the public health and safety because of the potential of pollution.
11. The total estimated cost to the State for plugging the Whittenburg -B- (02351) Lease Well No. 1 is \$22,100.00.
12. The Respondent has no prior history of violations of Commission Rules.

#### CONCLUSIONS OF LAW

1. Proper notice was issued by the Commission to Respondent and all other appropriate persons legally entitled to notice.
2. All things necessary to the Commission attaining jurisdiction over the subject matter and the parties have been performed or have occurred.
3. Respondent is responsible for maintaining the subject lease in compliance with all applicable Commission rules and TEX. NAT. RES. CODE, chs. 89 and 91.
4. Respondent is in violation of Statewide Rule 14(b)(2). 16 TEX. ADMIN. CODE § 3.14(b)(2).
5. Respondent is responsible for maintaining the subject lease in compliance with Statewide Rule 14(b)(2), which requires that plugging operations on each dry or inactive well shall be commenced within a period of one year after drilling or operations cease and shall proceed with due diligence until completed, unless the operator is eligible for and obtains an extension of the plugging deadline.
6. The documented violations committed by Respondent constitute acts deemed serious, and a hazard to the public health, and demonstrate a lack of good faith pursuant to TEX. NAT. RES. CODE § 81.0531(c).
7. Pursuant to TEX. NAT. RES. CODE § 81.0531, the Commission may assess administrative penalties against Respondent for the subject violations of up to \$10,000 per day for each violation, with each day such violations continued constituting a separate violation.
8. An assessed administrative penalty in the amount of **FIVE THOUSAND DOLLARS (\$5,000.00)** is justified considering the facts and violations at issue.

9. As a person in a position of ownership or control of Respondent at the time Respondent violated Commission rules related to safety and the control of pollution, Stephen R. Aguirre, and any other organization in which this individual may hold a position of ownership or control, is subject to the restriction in TEX. NAT. RES. CODE § 91.114(a)(2).
