HEARINGS DIVISION**

OIL & GAS DOCKET NO. 03-0309135

FINAL ORDER

The Commission finds that after notice and opportunity for hearing, the operator of the captioned lease did not respond, and the docket proceeded as a default. The proceeding having been duly submitted to the Railroad Commission of Texas at conference held in its offices in Austin, Texas, the Commission makes the following Findings of Facts and Conclusions of Law.

FINDING OF FACT

1. At least twenty days' notice was given to TT Operating, LLC (Operator No. 872252), ("TT"), and MT Energy LLC (Operator No. 518947), ("MT").
2. TT is the operator of record for the Maresh LT (26641) Lease, Well No. 1H, Giddings (Austin Chalk-3) Field, Burleson County, Texas.
3. On or about January 17, 2018, MT submitted to the Commission a Form P-4 *Certificate of Compliance and Transportation Authority* requesting transfer of the Maresh LT (26641) Lease, Well No. 1H, Giddings (Austin Chalk-3) Field, Burleson County, Texas, from TT to MT, as operator of record.
4. All Commission correspondence to TT was sent via United States Postal Service first-class mail to TT's address of record, as set forth on TT's most recent Form P-5 *Organization Report*.
5. All Commission correspondence to MT was sent via United States Postal Service first-class mail to MT's address of record, as set forth on MT's most recent Form P-5 *Organization Report*.
6. On or about February 12, 2018, the Administrative Law Judge requested in writing that TT either: (1) provide evidence that it holds a good faith claim to a continuing right to operate the referenced property; or (2) request a hearing on the matter on or before March 14, 2018. This writing expressly notified the operator that failure to timely request a hearing would constitute waiver of the opportunity to request a hearing on the matter.
7. TT's Form P-5 is delinquent. TT had a \$50,000.00 cash deposit as its financial assurance at the time of the last Form P-5 annual renewal submission.

8. MT's Form P-5 is active. MT has a \$25,000.00 cash deposit as its financial assurance.
9. A "good faith claim" is defined in Commission Statewide Rule (15)(a)(5) as "a factually supported claim based on a recognized legal theory to a continuing possessory right in the mineral estate, such as evidence of a currently valid oil and gas lease or a recorded deed conveying a fee interest in the mineral estate."
10. No production has been reported on the subject lease since September 2017.
11. TT failed to reply to the Administrative Law Judge's letter dated February 12, 2018, with any documents that it holds a "good faith claim" to a continuing right to operate the subject lease and failed to timely request a hearing.
12. TT does not have a "good faith claim" to operate the subject lease.
13. Pursuant to TEX. GOV'T CODE §§ 2001.056 and 2001.062(e), TT and MT have waived the opportunity to request a hearing on the matter.
14. MT now asserts a "good faith claim" to a continuous right to operate the subject lease.
15. The Maresh LT (26641) Lease, Well No. 1H, Giddings (Austin Chalk-3) Field, Burleson County, Texas, should be transferred to MT as operator of record.
