ORDER NUNC PRO TUNC

In conference in its office in Austin, Texas, the Railroad Commission of Texas took up for consideration the matter of correcting the Order Granting Motion for Rehearing entered on March 8, 2011, in Oil and Gas Docket No. 03-0266270. The Order Granting Motion for Rehearing contains two clerical errors erroneously stating the date that the Final Order was served. The Final Order was actually served on January 14, 2011.

IT IS THEREFORE ORDERED THAT the Order Granting Motion for Rehearing in Oil and Gas Docket No. 03-0266270, dated March 8, 2011, is hereby amended *NUNC PRO TUNC* to reflect the corrected date as stated above.

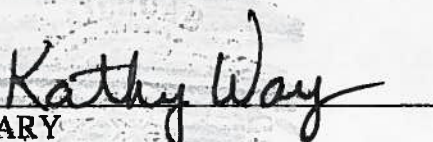

Done this 18th day of April, 2011.
