FINAL ORDER

The Commission finds that after notice and opportunity for hearing, the operator of the captioned lease did not respond, and the docket proceeded as a default. The proceeding having been duly submitted to the Railroad Commission of Texas at conference held in its offices in Austin, Texas, the Commission makes the following Findings of Facts and Conclusions of Law.

FINDING OF FACT

This writing expressly notified the operator that failure to timely request a hearing would constitute waiver of the opportunity to request a hearing on the matter.

10. No production has been reported on the subject lease since November 2007.
11. Hardrock failed to reply to the Administrative Law Judge's letter dated May 2, 2018, with any documents that it holds a "good faith claim" to a continuing right to operate the subject lease and failed to timely request a hearing.
12. Hardrock does not have a "good faith claim" to operate the subject lease.
13. Pursuant to TEX. GOV'T CODE §§ 2001.056 and 2001.062(e), Hardrock and Stonebriar have waived the opportunity to request a hearing on the matter.
14. Stonebriar now asserts a "good faith claim" to a continuous right to operate the subject lease.
15. The Goen-Holman (Gas ID No. 236994) Lease, Well No. 1H, Newark, East (Barnett Shale) Field, Parker County, Texas, should be transferred to Stonebriar as operator of record.
