---

**FINAL ORDER**

The Commission finds that after notice and opportunity for hearing, the operator of the captioned lease did not respond, and the docket proceeded as a default. The proceeding having been duly submitted to the Railroad Commission of Texas at conference held in its offices in Austin, Texas, the Commission makes the following Findings of Facts and Conclusions of Law.

**FINDING OF FACT**

1. At least twenty days' notice was given to Yellow Rose Oil & Gas Operating Inc. (Operator No. 946964), ("Yellow Rose"), and Moylan, Jimmie C. (Operator No. 592429), ("Moylan").
2. Yellow Rose is the operator of record for the Sneed (25907) Lease, Well No. 1, Mangum, North (3200) Field, Eastland County, Texas.
3. On or about March 7, 2018, Moylan submitted to the Commission a Form P-4 *Certificate of Compliance and Transportation Authority* requesting transfer of the Sneed (25907) Lease, Well No. 1, Mangum, North (3200) Field, Eastland County, Texas, from Yellow Rose to Moylan, as operator of record.
4. All Commission correspondence to Yellow Rose was sent via United States Postal Service first-class mail to Yellow Rose's address of record, as set forth on Yellow Rose's most recent Form P-5 *Organization Report*.
5. All Commission correspondence to Moylan was sent via United States Postal Service first-class mail to Moylan's address of record, as set forth on Moylan's most recent Form P-5 *Organization Report*.
6. On or about March 19, 2018, the Administrative Law Judge requested in writing that Yellow Rose either: (1) provide evidence that it holds a good faith claim to a continuing right to operate the referenced property; or (2) request a hearing on the matter on or before April 18, 2018. This writing expressly notified the operator that failure to timely request a hearing would constitute waiver of the opportunity to request a hearing on the matter.
7. Yellow Rose's Form P-5 is delinquent. Yellow Rose had a \$50,000.00 bond as its financial assurance at the time of the last Form P-5 annual renewal submission.

8. Moylan's Form P-5 is active. Moylan has a \$50,000.00 letter of credit as its financial assurance.
9. A "good faith claim" is defined in Commission Statewide Rule (15)(a)(5) as "a factually supported claim based on a recognized legal theory to a continuing possessory right in the mineral estate, such as evidence of a currently valid oil and gas lease or a recorded deed conveying a fee interest in the mineral estate."
10. No production has been reported on the subject lease since March 2016.
11. Yellow Rose failed to reply to the Administrative Law Judge's letter dated March 19, 2018, with any documents that it holds a "good faith claim" to a continuing right to operate the subject lease and failed to timely request a hearing.
12. Yellow Rose does not have a "good faith claim" to operate the subject lease.
13. Pursuant to TEX. GOV'T CODE §§ 2001.056 and 2001.062(e), Yellow Rose and Moylan have waived the opportunity to request a hearing on the matter.
14. Moylan now asserts a "good faith claim" to a continuous right to operate the subject lease.
15. The Sneed (25907) Lease, Well No. 1, Mangum, North (3200) Field, Eastland County, Texas, should be transferred to Moylan as operator of record.
