HEARINGS DIVISION**

OIL & GAS DOCKET NO. 08-0316315

SINGLE SIGNATURE P-4 FILING OF FELIX ENERGY HOLDINGS II, LLC (265322) FOR THE HALEY (27620) LEASE, WELL NO. 126, MONUMENT DREW (WOLFCAMP A) FIELD, WINKLER COUNTY, TEXAS, TO CHANGE THE OPERATOR OF RECORD FROM WOOLRIDGE OIL & GAS (940466) TO FELIX ENERGY HOLDINGS II, LLC

FINAL ORDER

The Railroad Commission of Texas (“Commission” or “RRC”) finds that after statutory notice and an opportunity for hearing regarding the captioned proceeding, Woolridge Oil & Gas failed to request a hearing and did not otherwise respond such that this case can proceed as a default. This proceeding having been duly submitted to the Commission at a conference held in its offices in Austin, Texas, the Commission makes the following findings of fact and conclusions of law.

Findings of Fact

1. On or about November 12, 2018, Felix Energy Holdings II, LLC (“Felix”), RRC Operator No. 265322, filed a single-signature Form P-4 *Certificate of Compliance and Transportation Authority* (“Form P-4”) requesting that it be designated the Commission operator of record for the Haley Lease, Lease No. 27620, Well No. 126 (“Well”). The Form P-4 did not contain the signature of the current Commission operator of record for the Well.
2. Woolridge Oil & Gas (“Woolridge”), RRC Operator No. 940466, is the current Commission operator of record for the Well.
3. In a letter dated November 19, 2018, a Commission Administrative Law Judge (“ALJ”) requested in writing that Woolridge either: (1) provide evidence that it holds a “good faith claim” to a continuing right to operate the referenced property; or (2) request a hearing on the matter on or before December 19, 2018. This letter expressly notified Woolridge that failure to timely request a hearing would constitute waiver of the opportunity to request a hearing for this proceeding. The letter was sent via first-class mail to Woolridge’s address of record at the Commission as identified in Woolridge’s most recent filing of Form P-5 *Organization Report* (“Form P-5”).
4. A “good faith claim” is defined in Commission Statewide Rule 15(a)(5) as “A factually supported claim based on a recognized legal theory to a continuing possessory right in the mineral estate, such as evidence of a currently valid oil and

- gas lease or a recorded deed conveying a fee interest in the mineral estate.” 16 Tex. Admin. Code § 3.15(a)(5).
5. Woolridge failed to provide evidence that it holds a good faith claim to a continuing right to operate the Well, failed to respond to the ALJ’s November 19, 2018 letter and failed to request a hearing.
 6. At least ten days’ notice of an opportunity for hearing was given to Felix and Woolridge.
 7. To demonstrate its good faith claim to operate the Well, Felix presented documentation including an oil and gas lease giving Felix the right to operate and produce the minerals from the tract where the Well is located.
 8. Felix has a current Form P-5 with a \$50,000 bond as its financial assurance. Felix is currently the record operator of 55 wells. Felix’s status at the Commission is active.
 9. Woolridge does not have a good faith claim to operate the Well.
 10. Pursuant to Tex. Gov’t Code §§ 2001.056 and 2001.062(e), Woolridge was provided an opportunity to request a hearing and failed to do so.
 11. Felix has demonstrated a good faith claim to a continuing right to operate the Well.
 12. The Well should be transferred to Felix as operator of record.

Conclusions of Law

1. Proper notice of hearing was timely issued to persons entitled to notice. *See, e.g.,* Tex. Gov’t Code § 2001.051; 16 Tex. Admin. Code §§ 1.42, 1.45.
2. The Commission has jurisdiction in this case. *See, e.g.,* Tex. Nat. Res. Code § 81.051.
3. Woolridge does not have a good faith claim, as that term is defined in Statewide Rule 15(a)(5), to continue operating the Well. 16 Tex. Admin. Code § 3.15(a)(5).
4. Felix does have a good faith claim to operate the Well.

Ordering Provisions

IT IS THEREFORE ORDERED that the application of Felix to change the RRC operator of record for the Well is **APPROVED** and Felix’s submitted Form P-4 *Certificate of Compliance and Transportation Authority* reflecting itself as the current operator for the Well is hereby **APPROVED** subject to the provisions of Tex. All pending motions and requests for relief not previously granted or granted herein are denied.

It is further **ORDERED** by the Commission that this order shall not be final and effective until 25 days after the Commission's Order is signed, unless the time for filing a motion for rehearing has been extended under Tex. Gov't Code § 2001.142, by agreement under Tex. Gov't Code § 2001.147, or by written Commission Order issued pursuant to Tex. Gov't Code § 2001.146(e). If a timely motion for rehearing of an application is filed by any party at interest, this order shall not become final and effective until such motion is overruled, or if such motion is granted, this order shall be subject to further action by the Commission. Pursuant to Tex. Gov't Code § 2001.146(e) and 16 Tex. Admin. Code § 1.128(e), the time allotted for Commission action on a motion for rehearing in this case prior to its being overruled by operation of law is hereby extended until 100 days from the date the Commission Order is signed.
