

RAILROAD COMMISSION OF TEXAS
HEARINGS DIVISION

OIL AND GAS DOCKET NO. 08-0316308

APPLICATION OF NGL WATER SOLUTIONS PERMIAN, LLC (609265) PURSUANT TO STATEWIDE RULE 9 FOR A COMMERCIAL PERMIT TO DISPOSE OF OIL AND GAS WASTE BY INJECTION INTO A POROUS FORMATION NOT PRODUCTIVE OF OIL OR GAS FOR THE HWY 302 SWD (45197) LEASE, WELL NO. 2, WHEAT FIELD, REEVES COUNTY, TEXAS

ORDER GRANTING MOTION TO REMAND

Notice of an open meeting to consider this order was duly posted pursuant to Chapter 551 (Open Meetings) of the Texas Government Code.

On October 29, 2019, Applicant NGL Water Solutions Permian, LLC ("NGL"), filed a motion to "reopen the hearing" as to NGL's application pursuant to Statewide Rule 9, to dispose of oil and gas waste by injection into a formation not productive of oil and gas on the Hwy 302 Lease, Well No. 2, in the Wheat Field, Reeves County, Texas.

The Commission finds the motion to reopen the hearing should be **GRANTED** and remands the application for the limited purpose of taking testimony and evidence regarding the recent plugging of the Hwy 302 Lease, Well No. 1, in the Wheat Field, Reeves County, Texas. The consideration of this testimony and evidence shall be taken only for the purpose of determining the extent to which the plugging of this well will prevent the escape of injected fluids from the proposed injection zone.

Signed on November 19, 2019.
