So, there is no help for the small oil and gas operators in Texas. Is oil going the way of the dodo bird or are you just going to let Exxon take it all over and we are screwed? I cannot pay my bills right now or even eat and in my whole life I never though I would vote any way but Republican. But after the screwing we got on this compensation package which helped everyone but oil and gas I AM VOTING STRAIGHT DEMOCRAT from here on out. What have I got to lose. You just destroyed my life. I am white, a woman and 75. This was my retirement and I will die poor.

Thanks you traitors.
