ORDER OF DISMISSAL

On February 28, 2020, G & L Utility Services, Inc., d/b/a GreenLight Gas ("GreenLight"), filed a "Complaint and Petition" against its gas supplier, BlackBrush O & G, LLC ("BlackBrush"), alleging—via numerous primary and alternative causes of action—that BlackBrush "violated Commission statutes, rules, standards, and orders" by failing to initiate an abandonment proceeding with the Commission to terminate service to GreenLight (the "Complaint"). On March 23, 2020, BlackBrush timely answered the Complaint and moved for its dismissal on jurisdictional grounds.

On October 1, 2020, Administrative Law Judge John Dodson granted dismissal of the Complaint, as amended, finding that GreenLight lacks standing to bring its claims. Accordingly, consistent with the ALJ's ruling, the Complaint is hereby **DISMISSED**, *without prejudice*, in accordance with Commission Rule § 1.23(f)(1).¹

This Order is appealable under Commission Rule § 1.38 (Interim Rulings and Appeals of Interim Rulings).²

Signed on October 1, 2020.
